

Safety Instructions T-Shirt

Safety Instructions

1. Handling

Put on the T-shirt carefully to avoid damaging the fabric or print.

Avoid excessive pulling or tearing at seams, labels, or printed areas.

2. Cleaning

Follow the care instructions on the label. Preferably wash the T-shirt at 30 °C to preserve the print.

Turn the T-shirt inside out before washing to prevent damage to the print.

Do not use fabric softener or bleach, as they may cause colors to fade.

Do not iron directly on printed areas. Use a cloth between the print and the iron.

3. Storage

Store the T-shirt in a dry place and avoid prolonged exposure to moisture to prevent mold formation.

Fold the T-shirt loosely to avoid creases.

4. Safety Warnings

T-shirts with long straps, cords, or small embellishments may pose a hazard to small children. Ensure that children do not get tangled in them.

If allergic reactions occur, discontinue use and consult a doctor.

Disclaimer:

The manufacturer assumes no liability for damage or injury resulting from improper handling or use of the T-shirt. Please follow these instructions to ensure safe and long-term use.
